Professional Catering Service

With over 35 years of professional catering service experience, Joseph's understands the importance of worry-free event catering. Whether you are hosting the most casual of parties or an extravagant affair, Joseph's is accomplished in creating the perfect menu and dining experience to meet your needs.

We offer full service catering options, including kitchen staff and experienced servers. Joseph's can also provide buffet style dining, or simply deliver your banquet meal, ready to serve.

Custom Catering

While our in-store restaurant menu is available as a set of choices for your event, Joseph's offers custom choice menus for every event we cater. We work with you to create individualized menus to your preference to provide the exact service your event requires.

Every item we prepare is fresh, presented professionally and tastes delicious. Whether we're serving breakfast, lunch or dinner, Joseph's will work with you to create the perfect menu to fit your budget.

Specialized Cakes

In addition to our wide variety of award winning pies, Joseph's proudly offers specialized cake services, featuring custom-made cakes with homemade butter cream frosting. Each cake is designed to your specifications and we create the perfect dessert look and taste for your event.
